Dear Alison,

I just wanted to formally thank you for the fantastic care that my son receives from Daisies Nursery. I have been very happy with the Nursery over the past couple of years that Seth has attended. I have however noticed a clear improvement since you took over. Your involvement has made Daisies Day Nursery even better and for that I thank you. Seth is quite obviously very happy, which makes me happy and content with the knowledge that Seth is in very good hands whilst we are not there.

You have a fantastic team and I would not hesitate to recommend your child care service to anyone.

Thank you so much.

Yours sincerely,

Liz Robinson  
(And of course Seth!)
